Subject: Request for Official Signage for Rear Door - The Corner Cafe Restaurant

Dear Clerk,

I hope this letter finds you well. I am writing on behalf of The Corner Cafe Restaurant, located at 1164 Lawrence St., to formally request official signage for our rear door to facilitate delivery and trash pick-up operations during specific hours.

The Corner Cafe Restaurant has been serving our community with delicious meals and exceptional service for the past 7 years. As part of our commitment to quality and efficiency, we are continuously striving to enhance our operations. Currently, we face challenges with delivery drivers and waste management personnel accessing our establishment through the rear entrance due to limited visibility and lack of clear directions.

To address this issue, we kindly request the approval and installation of official signage designating the rear door for exclusive use by delivery and trash pick-up personnel. The proposed signage will clearly indicate the designated hours for access, which are from 6:00 am to 4:00 pm. This timeframe aligns with the busiest periods for both deliveries and waste management activities. We believe that such a signage solution will significantly improve the flow of these operations, minimize any confusion, and ensure a smoother experience for all involved parties.

Yours sincerely,
